Launching time: *5 PM, 11 Mar 2025 (UTC+7)*

Activity 1: Stake & Earn

Stake your $METIS to earn yield and unlock even bigger rewards in our first activity! Grow your assets while competing for the leaderboard or testing your luck in the draw to win extra $oMETIS.

Duration: 5 PM, 11 Mar 2025 - 11:59 PM, 1 April 2025 (UTC+7)

Platform: TaskOn

Total Reward Pool: 860 $oMETIS as details:

- 260 $oMETIS for the top 20 stakers with the highest staking volume
- 600 $oMETIS for 300 lucky winners

How to Participate: Complete simple tasks on TaskOn **[HERE]**

- Create a Metis wallet/multichain wallet on Coin98 Super Wallet (mobile app or extension) or Coin98 Telegram Wallet. You can skip if already had
- Stake* at least 1 $METIS in 10 days continuously on https://artemisfinance.io/stake
- Follow @Artemisfinance & @coin98_wallet on X
- Repost the campaign post on Coin98 Super Wallet's X

Launching time: *5 PM, 11 Mar 2025 (UTC+7)*

Do note: Participants must stake for at least 10 days within the campaign period. The last day to start staking and be eligible is 22 March 2025.

Reward Distribution:

- The pool reward among the top 20 stakers will be allocated based on their staking volume , which means the more a user stakes, the higher their reward share.

  Reward formula: **Reward for each staker = 260*(Staker's staking volume)/(Total staking volume of the top 20 stakers)**

  E.g. If a user has 4,000 METIS staked and the total staking volume of the top 20 stakers is 50,000 METIS, the reward for this user would be:

  260*4000/50000=20.8 $oMETIS
- The staking volume of each participant will be tracked from the start of the event and finalized with a snapshot at the end.
- The top 20 stakers and 300 lucky winners will be announced on Coin98's social channels within 7 business days after the campaign ends.
- Rewards will be distributed directly to winners' staking addresses via Coin98 Vault within 14 days from the winner announcement.
